

## FINDINGS AND PROCEDURES FOR UPPER GI

Lumen	Contents	Mucosa	Lesions	Vascular	Previous surgery	Other	Procedures	Procedures (cont'd)
Deformity Dilated Diverticulum Extrinsic compression Hiatal hernia Schatzki ring Stricture Motility disorder	Bezoar Blood Foreign body Food Fluid Stent Other contents	Barretts Oesophagus Oesophagitis Atrophic Friable Granular Sclerosis / scarring Ulcer Ulcerated mucosa Other inflammation <ul style="list-style-type: none"> <li>Erythematous</li> <li>Oedematous</li> <li>Nodular</li> <li>Haemorrhagic</li> <li>Petechial</li> </ul>	Ectopic pancreas Enlarged folds Erosion Fistula Mallory – Weiss tear Nodule Perforation Polyp Scar Superficial Lesions Tumour / mass	Angioectasia Dieulafoy lesion Pathological vascular pattern Portal Hypertensive Gastropathy Varices	Antrectomy Bariatric Surgery Billroth i Gastrectomy Billroth ii Gastrectomy Fundoplication Gastroenterostomy Oesophagectomy Pyloroplasty Total Gastrectomy Vagotomy	Other	APC Banding Biopsy Cautery Clip placement Dilation EMR Endoloop placement ESD Hot biopsy Foreign body removal Injection therapy	RFA PEG change PEG placement PEG removal Polypectomy Stent change Stent placement Stent removal Tattoo Tube placement Variceal sclerotherapy YAG Laser Other procedure

## FINDINGS AND PROCEDURES FOR COLONOSCOPY

Diverticulum	Haemorrhage	Lesion	Lumen	Mucosa	Vascular	Other	Procedures	Procedures (cont'd)
Diverticulum	Haemorrhage	Anal fissure Polyp Tumour / mass	Blood Compression Dilated Faeces Foreign body Parasites Spasm Stent Stricture	Atrophic Erosion Erythematous Friable Granular Haemorrhagic Melanosis Nodular Oedematous Pathological vascular pattern Petechial Pseudomembranes Sclerosis / scarring Ulcer Ulcerated mucosa	Angioectasia Dieulafoy lesion Haemorrhoids Rectal Varices Other vascular abnormality	Other	APC Banding Biopsy Cautery Clipping Dilation EMR Endoloop placement ESD Foreign body removal Injection therapy	Polypectomy Stent change Stent placement Stent removal Tattoo YAG Laser Other procedure

## FINDINGS AND PROCEDURES FOR BRONCHOSCOPY

Lumen	Contents	Mucosa	Lesions	Secretions	Other	Procedures	Procedures (cont'd)
External compression Narrowing Occlusion Web Vocal cord paralysis	Blood Plaque LPR characteristics	Candida Inflammation Tumour	Laryngeal lesion Nodule Polyp Ulcer Vocal cord nodule	Muroid Mucopurulent Purulent	Other	<u>Sampling</u> Endobronchial biopsy Bronchial brushing BAL Bronchial washing TBLB TBNA EBUS-FNA  Snare resection Laser destruction Foreign body removal Irrigation lower respiratory tract	Brachytherapy APC Cautery Dilation Cyotherapy Laser PDT Stent change Stent placement Stent removal Other procedure

## FINDINGS AND PROCEDURES FOR ERCP

Findings	Anatomy	Parenchyma	Papillary Anatomy	Other	Procedures
Diverticulum Dilated Stone Cavity Tumour Fistula Leak Stent Stricture Other	Cannulation Pancreas annulare Pancreas divisum Visualisation – Pancreatic Cystic duct implant Hepatic duct anomaly Visualisation - Hepatobiliary	Intrahepatic stones Stretched ductules Multiple strictures/dilation	Major papilla Minor papilla	Other	Balloon dilatation Balloon Sphincteroplasty Balloon trawl Biopsy Endoscopic cyst puncture Hemostasis Nasopancreatic drain Combined procedure (Rendezvous) Stone extraction Stent change Stent placement Stent removal Biliary sphincterotomy Pancreatic sphincterotomy

## FINDINGS AND PROCEDURES FOR EUS

Lumen	Contents	Mucosa	Lesions	Vascular	Other	Procedures
Wall thickening Stricture Dilation Compression Diverticulum Previous surgery Deformity Ring/web Hiatal hernia	Pleural effusion Cardiac effusion Blood Foreign body Food Fluid Stent Exudate	Barretts Oesophagus Oesophagitis Atrophic Friable Granular Sclerosis / scarring Ulcer Ulcerated mucosa Cyst Erythematous Oedematous Nodular Haemorrhagic Petechial Scalloping	Angioectasia Dieulafoy lesion Intramural lesion Polyp Ectopic gastric mucosa Enlarged folds Depressed superficial lesion Fistula Perforation	Varices Collaterals	Other	FNA Core biopsy Coeliac plexus block (CPB) Coeliac plexus neurolysis (CPN) Duct access / drainage Cyst drainage
